# ABOUT US

Third Millennium Corner for Contracting is a Saudi contracting company specialized in mechanical and electrical works, firefighting systems, building construction, swimming pools, solar energy, finishing and interior design, and landscaping, as well as maintenance services for hospitals and hotels.

We deliver reliable and high-quality engineering solutions, fully compliant with international standards (NFPA, UL/FM, ISO), ensuring safety and excellence across all our projects.

# MEP WORKS

The company implements electromechanical projects, service systems of a mechanical nature, and electrical operation in addition to the automatic control of such systems as Electrical, HVAC, Plumbing and BMS for buildings.

# FIREFIGHTING SYSTEM

We provide fire system services according to professional implementation standards that comply with specifications and codes (NFPA, UL/FM, IEC, ISO, ASHRAE, depending of the service). The scope of work includes detailed design, shop drawings, certifications, supply and installation, commissioning (T&C), and final handover, in addition to preventive maintenance programs.

# CONSTRUCTION AND FINISHING

We have a large team with extensive experience in the field of construction and finishing. We have worked on many towers and our experience exceeds 25 years in this field. We also have skilled hands with technical expertise in reading plans and implementing them simultaneously. We also have structural and architectural design.

# MAINTENANCE WORK

The maintenance team specializes in a wide range of fields, with at least 10 years of experience in building maintenance, particularly for hospitals, banks, and hotels. They work quickly and accurately, while maintaining a safe and clean workplace. Speed of implementation, high quality, and customer satisfaction are the motto of the maintenance team.
